

Between the Rivers Fund Application for Financial Aid

EVENT YOU'RE APPLYING FOR _____

The Northern Virginia and Washington RSCDS Branches have established a financial aid fund to help dancers attend designated branch and other sanctioned Scottish Country Dancing events. The Between the Rivers Fund will provide a portion of fees to dancers who can benefit from financial assistance.

Financial aid recipients are required to attend the entire event and submit a brief description of their experience to the committee via e-mail or USPS. This information will be used to evaluate this financial aid program and will be shared with the event organizers for assessment and promotion of the event. Unless otherwise noted, your application for assistance is due to the Between the Rivers Fund Committee at least 2 weeks before the event.

You may submit your completed application with your signature to the committee at betweentherivers@rscds-greaterdc.org (scanned file or cell phone picture), or mail a printed form to Fred Eustis, 2118 Pine Avenue, Windsor Mill, MD 21244. All applications will be reviewed by the committee in time to inform recipients of the amount of the award before the event. Awards will be made based on funds available for financial aid, established need of the applicant, and benefit to both the applicant and the Scottish Country Dancing community. Be as complete as possible in filling out this application. Unless otherwise noted, you are required to get a letter of recommendation from your Scottish Country Dance teacher. Please provide your teacher with the Teacher Recommendation form for submission to betweentherivers@rscds-greaterdc.org

Name _____ Phone _____

Address _____

E-mail address _____

Number of years dancing _____ Where? _____
